Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several red ink markings, possibly indicating dates or specific sections. The page number 171 is visible in the top right corner.

Handwritten text in Persian script, continuing from the previous page. The text is written in a cursive style and includes several red ink markings. The page number 172 is visible in the top right corner.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several red ink markings, possibly indicating dates or specific sections. The page number 171 is visible in the top right corner.

Handwritten text in Persian script, continuing from the previous page. The text is written in a cursive style and includes several red ink markings. The page number 172 is visible in the top right corner.

Handwritten text in Arabic script, likely a religious or philosophical treatise. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 197 is visible in the right margin.

197

Handwritten text in Arabic script, continuing the treatise from the previous page. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 198 is visible in the left margin.

198

Handwritten text in Arabic script, likely a religious or philosophical treatise. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 199 is visible in the right margin.

199

Handwritten text in Arabic script, continuing the treatise from the previous page. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 200 is visible in the left margin.

200

Handwritten text in Arabic script, likely a religious or philosophical treatise. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 210 is visible in the right margin.

Handwritten text in Arabic script, likely a religious or philosophical treatise. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 211 is visible in the left margin.

Handwritten text in Arabic script, likely a religious or philosophical treatise. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 212 is visible in the right margin.

Handwritten text in Arabic script, likely a religious or philosophical treatise. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 213 is visible in the left margin.

Handwritten text in Persian script, likely a continuation of a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 212 is visible in the top right corner.

Handwritten text in Persian script, likely a continuation of a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 211 is visible in the top right corner.

Handwritten text in Persian script, likely a continuation of a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 210 is visible in the top right corner.

Handwritten text in Persian script, likely a continuation of a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The page number 209 is visible in the top right corner.

Handwritten text in Persian script, likely a historical or administrative document. The text is arranged in several columns, with some lines starting with red ink (rubrication). The script is cursive and dense.

Handwritten text in Persian script, likely a historical or administrative document. The text is arranged in several columns, with some lines starting with red ink (rubrication). The script is cursive and dense.

Handwritten text in Persian script, likely a historical or administrative document. The text is arranged in several columns, with some lines starting with red ink (rubrication). The script is cursive and dense.

Handwritten text in Persian script, likely a historical or administrative document. The text is arranged in several columns, with some lines starting with red ink (rubrication). The script is cursive and dense.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The right margin contains the number 141.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The left margin contains the number 141.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The right margin contains the number 142.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with some red ink used for headings or emphasis. The left margin contains the number 142.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several red ink markings, possibly indicating dates or specific sections. The right margin contains the number 243.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several red ink markings, possibly indicating dates or specific sections. The left margin contains the number 242.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several red ink markings, possibly indicating dates or specific sections. The right margin contains the number 244.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several red ink markings, possibly indicating dates or specific sections. The left margin contains the number 245.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and a small red stamp or seal visible on the right side of the page.

۴۹

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and a small red stamp or seal visible on the right side of the page.

۴۸

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and a small red stamp or seal visible on the right side of the page.

۵۰

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and a small red stamp or seal visible on the right side of the page.

۵۱

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with several lines of script. There are red ink markings, including a large '111' at the top right and smaller red annotations throughout the page.

Handwritten text in Persian script, continuing the narrative or administrative content. The script is dense and cursive. Red ink markings are present, including a large '111' at the top left and smaller red annotations.

Handwritten text in Persian script, continuing the narrative or administrative content. The script is dense and cursive. Red ink markings are present, including a large '111' at the top right and smaller red annotations.

Handwritten text in Persian script, continuing the narrative or administrative content. The script is dense and cursive. Red ink markings are present, including a large '111' at the top left and smaller red annotations.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and corrections visible throughout the text.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and corrections visible throughout the text.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and corrections visible throughout the text.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and includes several lines of prose. There are some red ink markings and corrections visible throughout the text.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with several lines of script. There are red ink markings, including a large '421' at the top right and smaller red annotations throughout the text.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with several lines of script. There are red ink markings, including a large '420' at the top right and smaller red annotations throughout the text.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with several lines of script. There are red ink markings, including a large '422' at the top right and smaller red annotations throughout the text.

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style with several lines of script. There are red ink markings, including a large '421' at the top right and smaller red annotations throughout the text.

[illegible]

Handwritten text in Arabic script, likely a manuscript or a collection of notes. The text is written in a cursive style and is arranged in several lines. The ink is dark, and the background is light-colored. The text appears to be a collection of names or titles, possibly related to a historical or literary work. The handwriting is dense and somewhat difficult to decipher in some places due to the cursive style.

[illegible][illegible]

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and covers the upper half of the page. A red marginal note is visible on the right side.

۴۳۷

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and covers the upper half of the page. A red marginal note is visible on the left side.

۴۳۸

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and covers the upper half of the page. A red marginal note is visible on the right side.

۴۳۹

Handwritten text in Persian script, likely a historical or administrative document. The text is written in a cursive style and covers the upper half of the page. A red marginal note is visible on the left side.
